

Dear Exhibitor,

In the coming months towards the IWA World Water Congress & Exhibition 2016 (IWA WWCE2016) we will send you regular updates on various aspects of your participation as exhibitor in this global water event.

All updates will be numbered, so you can easily file them and keep track on progress.

This Update is Update nr. 4.

Advert in Programme Book for maximum visibility!

The Programme Book of the IWA WWCE contains all programme details on-site as well as exhibitor information. It is used intensively by all attendees and therefore offer your organisation a great additional visibility.

The deadline for booking an advert is as mentioned approaching (see below), however the due date for sending the actual advert to us will be end of August. Please check the technical specifications for the various available sizes: [click here](#).

Please note that the adverts for the cover and back cover are already sold out.

EXHIBITORS MANUAL & DEADLINES:

The digital exhibitors manual has been sent out to you on May 26th. We want to remind you, in case you did not send the forms yet, that some deadlines are close to the expiry date.

For details of these forms, please click below.
