

Dear Exhibitor,

In the coming months towards the IWA World Water Congress & Exhibition 2016 (IWA WWCE2016) we will send you regular updates on various aspects of your participation as exhibitor in this global water event.

All updates will be numbered, so you can easily file them and keep track on progress.

This Update is Update nr. 5.

[ADVERT IN PROGRAMME BOOK; for maximum visibility!](#)

The Programme Book of the IWA WWCE contains all programme details on-site as well as exhibitor information. It is used intensively by all attendees and therefore offers your organisation a great additional visibility.

Although the deadline for booking an advert already expired, it is still possible to book an advert.

The due date for sending the actual advert to us will be end of August. Please check the technical specifications for the various available sizes: [click here](#). Advert prices can be found on the Application Form via this link: [click here](#). You can confirm your advert by replying to this Update e-mail.

Please note that the adverts for the cover and back cover are already sold out.

[VISITORS INVITATION:](#)

Exhibitors at the IWA WWC&E 2016 have the possibilities to invite their relations to visit the exhibition; you can invite your relation to visit **free of charge**.

You can invite your relations by sending them the **VISITORS INVITATION** via following link: [click here](#) (you can forward the link, with your own invite e-mail).

Only registered visitors have free access to the exhibition, and they are also entitled to attend the Business Forum sessions.

Please invite them to visit your booth at the IWA WWC&E 2016.

Please contact us at the exhibition secretariat if you have any questions!

[EXHIBITORS MANUAL & DEADLINES:](#)

The digital exhibitors manual has been sent out to you. We want to bring the coming deadlines to your attention.

For details of these forms, please click below:

- [Exhibitor passes form deadline](#): September 1st 2016
- [Shell scheme constructor deadline](#): September 5th 2016
- [Congress venue deadline](#): September 30th 2016
- [Freight Forwarding deadline](#): September 23rd 2016

The website for the Exhibitor's manual is www.iwa-exhibitions.org

For your log in, please check your email of May 26th.

If you would like to review the previous sent updates, please find them in the links below:
