Hotel Accommodation Bookings

Please note that Ozaccom+ is IWA's hotel booking agency. You will have received information regarding your hotel options and bookings via Ozaccom+. As we have been made aware, other organisations have been approaching clients claiming to be associated with IWA or the IWA Congress. Please note, there is only one agency associated with IWA or the IWA Congress and that is Ozaccom+. All of your bookings and enquiries should only be through Ozaccom+. For example, we have been informed that Expo Housing Services has

been contacting clients. There is no relationship between that organization and IWA, so please ignore and or delete any messages from them.

For all your accommodation needs, please visit the [IWA Accommodation Website](#) or email your enquiry to ozaccom@ozaccom.com.au.

Please contact us at the exhibition secretariat if you have any questions!
