General Email: [GAPadmin@eawag.ch](mailto:GAPadmin@eawag.ch) / [joel.podgorski@eawag.ch](mailto:joel.podgorski@eawag.ch)

Groundwater  
Assessment  
Platform

The Groundwater Assessment Platform is a free, interactive online GIS platform for the mapping, sharing and statistical modeling of groundwater quality data. The modeling allows users to take advantage of publicly available global datasets of various environmental parameters to produce prediction maps of their contaminant of interest.
