**EVERYTHING
ABOUT WATER** ▶

EverythingAboutWater is a leading monthly print & e-magazine (www.eawater.com/eMagazine) on global water sector. It reaches 29,081 active, influential, and engaged readers, who have the discretionary budgets to acquire the products and services that cater to their industrial demands.

EverythingAboutWater consistently provides new ways to connect the water industry with end-user industries. EA Water Pvt Ltd is India's only knowledge and marketing solutions provider in the area of water and wastewater management. For over a decade, our verticals: Publishing, Training and Events have been instrumental in taking initiatives directed towards awareness on most critical water related issues. It would hence be fair to say that the company has been a market leader and innovator in the water sector. Our history spans over 16 years and since its inception in the year 2000 the company has been committed towards increasing awareness and knowledge on the water and wastewater management sector and helping promote various water-related offerings to a focused audience base.
