AGRU The Plastics Experts.

High-quality products made from engineering plastics.

Represented in Argentina by company AGUAS SRL, AGRU is one of the world's most important single-source suppliers for high-quality piping systems, semi-finished products, concrete protection liners and lining systems made from engineering plastics. With its expertise in producing engineering plastics components and developing tailored solutions, AGRU is present in virtually every sector of industry. See more about AGRU and its various product groups on www.agru.at.
