RotorPump

 **Franklin Electric**

About Rotor Pump

Rotor Pump is specialist in water pumping solutions. Well known manufacturer of submersible electric pumps and distributor of global companies in the local market. Rotor Pump has more than 60 years of experience in water solutions. Throughout all these years it has offered pumps, motors, drives, tanks and controls for use in a wide variety of residential, commercial, agricultural, industrial, and municipal installations, for both clean and grey water applications.

Rotor Pump represents exclusively for Argentina, Uruguay and Paraguay the company Franklin Electric, the world's largest manufacturer of submersible electric motors.
