

Water and Development Congress & Exhibition

13-16 NOVEMBER 2017 ▪ BUENOS AIRES ▪ ARGENTINA

The WDCE17 will be organized and held at the AySA St. Martin Waterplant. The Exhibition area is in a large tent (fully equipped for exhibition) in front of the main plant building (Congress rooms).

Please find some general images of tent structures in this document to indicate the exhibition tent. Please note that below images are general images and not the exact measurements.
