BHY is a fully certified company under international rules and standards for quality, safety, and occupational and environmental health. With a strong sense of social commitment, through the BHY foundation we sponsor and encourage activities connected with the social responsibility of business and commerce toward the community.

In our daily interaction with clients we strive to uphold the core values of integrity, respect, honesty and leadership. These values show through our company's business departments: Water Department, Environmental Sanitation, Renewable Energies, Electromechanical Works, and Chemical Division & Supplies.
