RE: Allocation of stand space at the IWA Water and Development Exhibition 2017

Dear Mrs. San Martin,

Further to previous correspondence we hereby send you the details about the stand space at the IWA Water and Development Exhibition in Buenos Aires, Argentina.

Please find enclosed the provisional floor plan; your stand details are:

Company:	Ministerio del Interior, Obras Públicas y Vivienda
Booth number:	27
Size:	7 m. (front) x 6 m. (depth) = 42 sq.m.
Type:	Island stand
Building Height:	Organizer's approval of stand design required.
Shell Scheme:	No
Remark:	Stand details enclosed, please see attachment in e-mail.

Stand design

You will build your own stand (customised stand construction), and for this stand construction you will need an approval by both the Organizers (us) as well as the exhibit venue (AySA). We kindly ask you to send us your draft designs, so we can do a first review before you will be finalizing your stand design. **The deadline for submitting your draft design is 6 October 2017.**

However, the sooner you send in your design, the more time there is to adapt the design in case it's not according to the regulations.

[The Exhibition Terms & Conditions](#) and [Terms & Conditions Venue](#) apply. Please take careful note of these Terms & Regulations (all are relevant, and related to your stand construction and design e.g. article 7 is important).

You will be separately informed about other aspects of the IWA Water and Development Congress & Exhibition 2017: the congress information, registration, hotels, social program, etc. Please take careful note of this additional information as your participation as Exhibitor in the IWA WDCE 2017 can be highly optimized by integrating these aspects in your programme.

Water and Development Congress & Exhibition

13-16 NOVEMBER 2017 ▪ BUENOS AIRES ▪ ARGENTINA

On our website www.waterdevelopmentcongress.org you will find the latest information on both the Congress & the Exhibition.

In case you have any further questions on this stand allocation, please do not hesitate to contact the Exhibition team at ng@matchplus.nl.

We look forward welcoming you at the IWA Water and Development Congress & Exhibition 2017!

Kind regards,
IWA Water and Development Congress & Exhibition 2017
