OBOR Environmental Technology and Industry Alliance

一带一路环境科技与产业联盟

OBOR Environmental Technology and Industry Alliance is established in the Center of Excellence for Water and Environment (CEWE) of The World Academy of Sciences for the Developing Countries (TWAS) and the Chinese Academy of Sciences (CAS). It is jointly launched with the highlevel enterprises actively involved in the China environmental protection market. The Establishment is aimed at promoting mutual understanding between Chinas water business enterprises and the developing countries, advancing technical communications and cooperation between China and developing countries in the relevant environmental fields, and sharing Chinas past-few-years water and environmental experience and technical knowledge to the vast numbers of developing countries.
