

# Water and Development Congress & Exhibition

1 – 5 December 2019 ■ Colombo, Sri Lanka

Sustainable Solutions for Emerging Economies

**Stand**

**Hungarian Water Cluster**

Web address: [vizipariklaszter.hu/](http://vizipariklaszter.hu/)

The Hungarian Water Cluster has been playing a significant role in the water industry for more than ten years. The activities of the member companies cover all segments of the water industry: water treatment; reduction of non-revenue water; water and drainage systems; NO-DIG technologies; municipal and industrial wastewater treatment; stormwater management; water prospecting - well drilling; flood management – disaster recovery.
