

Water and Development Congress & Exhibition

1 – 5 December 2019 ■ Colombo, Sri Lanka

Sustainable Solutions for Emerging Economies

Stand

Australian Water Partnership

Australia

water partners for development

Web address: waterpartnership.org.au

Australia – water partners for development – enhancing the sustainable management of water in the Indo-Pacific and beyond. Through the Australian Water Partnership, we are mobilising water sector expertise to address demand from developing countries, focusing on areas where we can achieve the most impact aligned to the Sustainable Development Goals.
