

***Isle will deliver the ‘must-see’ event for emerging technologies at the IWA World Water Congress & Exhibition (WWCE) 2022***

Isle has joined forces with IWA to deliver the Innovation Hub at the IWA World Water Congress and Exhibition. The Innovation Hub will showcase emerging (start-up) technologies that are seeking their way into the global water industry. The Innovation Hub is open and accessible to everyone during the five-day event.

**“What’s Hot?” at the Innovation Hub**

We invite you to drop by for a 1.5-hour program called “What’s Hot?” — a round-up of exciting talks, technology pitches delivered in a dolphin-tank format and an interactive format for the audience.

*“What’s Hot?” program for  
Monday, Tuesday & Wednesday (12, 13 & 14 September)*

Welcome keynote by Tier 1 Sponsor

Technology pitches in dolphin-tank format

“What’s Hot?” interactive session with the audience!

**About Isle**

Isle aims to “Bring technologies to life” by facilitating collaborative innovation across technology developers, end-users, and innovation enablers. We are an independent consultancy with offices in Asia-Pacific, the Americas, Europe, Middle East and Africa.

## SPONSORSHIP PACKAGES

We are seeking corporate sponsors to make the Innovation Hub a lively go-to space for emerging technologies. Innovation Hub partners will have the opportunity for exposure and engagement with various stakeholders present at IWA WWCE 2022.

	Start-up €1,000	Start-up+ €2,500	Tier 2 Sponsor €4,500	Tier 1 Sponsor €7,500
