

IWA WWCE 2022 – Exhibitor Update 1

Dear Exhibitor,

In the coming months towards the IWA World Water Congress & Exhibition 2022 (IWA WWCE2022) we will send you regular updates on various aspects of your participation as exhibitor in this global water event. All updates will be numbered, so you can easily file them and keep track on progress.

This Update is Update nr. 1, please read the information carefully.

The information in this update is on:

1. Status Exhibitor Manual and Allocation of stand space
2. Congress registration for exhibitors
3. Stand construction suppliers
4. Hotel accommodation
5. Event dates

1. EXHIBITOR MANUAL – OFFICIAL STAND ALLOCATION

This information will follow shortly. The manual had a slight delay because of the webshop preparations of the Bella Center in Copenhagen. Expected to be available within 1-2 weeks, meanwhile you can approach us for any question you have.

2. CONGRESS REGISTRATION:

The registration for Congress delegates has opened recently. Exhibitors are entitled to order a limited number of **discounted** Congress Registrations for the fee of €602,50 (excl. VAT) per registration instead of the regular fee of €1205,- (excl. VAT) with following limitations;

Stands 9 sqm. up to 20 sq.m.:	2 discounted registrations
Stands 21 sqm. up to 50 sq.m.:	3 discounted registrations
Stands 51 sqm. and more:	4 discounted registrations

Please follow this process:

1. Please send a reply to this e-mail (to info@iwa-exhibitions.com) to indicate your interest in these discounted tickets (and indicate how many you need)
2. After that you will receive an e-mail from us, including a discount code and a link to the registration website
3. Then follow the instructions on the registration website

Note: the above is about registration as a **congress delegate**, which allows you to attend all sessions, access to congress lunches. This is not mandatory, it does however offer you good content and networking possibilities. We will later inform you about your options to order Exhibitor Badges (these are free of charge), they give you access to the exhibition, but not to the congress sessions.

3. STAND CONSTRUCTION SUPPLIERS - suggestions

If you build your own stand (you have not ordered standard shell scheme), you can choose your own stand constructor, there are no obligations. We do however suggest 2 stand construction companies that are experienced in Bella Center. Please find their contacts below, if you want you can approach them for proposals.

5. EVENT DATES

The IWA WWCE 2022 event dates are Sunday 11 September – Thursday 15 September 2022. On Sunday 11 September the Exhibition will open after the Opening ceremony, the Welcome Reception will be held in the exhibit hall (evening opening).

The build up dates for exhibitors are Friday 9 September, Saturday 10 September and Sunday 11 September.

Note 1: the build up in Hall E only starts on Saturday 10 September. Details on the order in which you can enter the halls will be supplied later. Details in the Exhibitor Manual

Note 2: all build up and decoration needs to be finalized on Sunday 11 September at approx. 14.00 hrs. (exact time tbc). After that the halls will be inspected and finalized for the Opening in the evening

Thank you for your attention for the above, please don't hesitate to contact us if you have any questions.
